CINCINNATI BOARD OF HEALTH APPROVES APPOINTMENT ASSISTANT HEALTH COMMISSIONER CLINICAL SERVICES AND POPULATION HEALTH

Noble Maseru, Ph.D., MPH is pleased to announce the appointment of Mr. Hirsh J. Cohen to Assistant Health Commissioner for Clinical Services and Population Health.

Hirsh is currently a consultant with the Cincinnati Health Department, responsible for the development of our community and public health safety net initiative as a part of the Cincinnati Health Foundation's Regional Primary Care Access Initiative. Mr. Cohen was previously Senior Vice President and Principal of The Hunter Group, a division of Navigant Consulting.

With over 35 years of experience in alternative delivery systems, managed care plan administration, hospital administration, academic health centers and integrated delivery systems, Hirsh has served in a wide range of consulting and management roles.

Prior to joining The Hunter Group, Hirsh was associated with the University of Cincinnati serving as President of University Health Plan, and as Administrator of the Christian R. Holmes Division of the University of Cincinnati Hospital.

He received his BA in Economics from Loyola College in Montreal and his Masters in Healthcare Administration from the University of Montreal. He is a Fellow in the American College of Healthcare Executives, a member of the Canadian College of Healthcare Executives and has held academic appointments in the School of Planning and College of Medicine at the University of Cincinnati.

We are extremely pleased to have Hirsh as a full-fledged member of the Cincinnati Health Department family and the Health Commissioner's leadership team.
